Ms. Jocelyn Boyd  
Chief Clerk & Administrator  
Public Service Commission of South Carolina  
Synergy Business Park, Saluda Building  
101 Executive Center Drive, Suite 100  
Columbia, SC 29210

**Re: Application for a CPCN to Provide Steam (Heat) Service and for  
Contract Approval on behalf of Duke Energy Carolinas, LLC ("DEC")  
Docket No. 2017-47-E**

Dear Ms. Boyd:

On April 11, 2017, we informed the Commission that DEC and Clemson University were responding to community concerns by meeting to review potential alternate locations for the project described by the application in this docket. This letter is to notify the Commission that DEC and representatives of Clemson have met and agreed to a change in location of the project.

The new location for the Combined Heat and Power project that is the subject of the application in this docket is "Kite Hill" which is a parcel owned by Clemson University and bounded by Newman Road, McMillian Road and Kite Hill Drive. It is my understanding that this location was described to the Clemson City Council in a special meeting held on Thursday, May 4, 2017 and that the Council voted unanimously to withdraw its opposition to the application.

Yours truly,

Frank R. Ellerbe, III
